January/February 2014

President's Message

Happy New Year!!

It is hard to believe 2014 is already upon us. I hope everyone had a very pleasant and joyous holiday season with family and friends. As with so much in life these days, the holidays are already a blur of a memory. The first president's message of the New Year is typically a recap of the previous year's successes and a look forward to the opportunities of the next year.

In general, I would say 2013 was a good year for the club. Financially we are stable. Our membership remains just under 400 which is a combination of family and individual memberships. The November General Club meeting was election time again for Board positions. Individuals stepping down were Tayloe Moore, Alice Preston, Katie Veilleux, Randy Wendell, and Jenni Pendergrass. I can't thank these folks enough for their commitment to the club these past 2 years, and past 4 years for Jenni who served 2 terms as Activity Chair. Several individuals agreed to serve another term. These include Dennis Schafer, Leonard Atkins, Karl Huber, and me. New members include John Spindler, Jim Hunt, Ted McGarry, and Sue Kropp. We are still seeking a permanent newsletter editor. In the interim, Susan Kidd has graciously offered to keep the Walker alive while the ODATC Board re-evaluates the future of the newsletter.

A major action taken by the 2013 club board was to reduce the number of board meetings from monthly to 6 times per year. The meetings will be held on the first Tuesday of the same months as general club meetings – January, March, May, September and November, with the summer meeting to be held based on board preference. All club members are welcome to attend the board meetings. If you would like to join us, I would appreciate knowing in advance to ensure adequate seating. As always, there are numerous items that the board addresses throughout the year so I anticipate opportunities for sub-committees and plenty of email exchanges as we adjust to this new meeting schedule. As 2013 comes to a close, I want to extend my thanks to all the ODATC Board members for their dedication and commitment to the club this past year!

An obvious key focus of our club is the care of our section of the Appalachian Trail. Despite the rainy or icy weather at always the wrong time, it was another successful year for trail maintenance. However, back in February our shelter suffered a mishap. Someone staying at the shelter seemed to think it would be okay to build a fire on the front porch. Fortunately the shelter was not significantly damaged and the crew implemented the repairs over 2 weekend trips. I believe it was also a good year for the border monitoring team, although some scheduled trips were impacted by icy conditions. If you would like to learn more about our maintenance and monitoring activities, see cool pictures of the gang in action, or read about the interesting adventures experienced while working on the trail, be sure to check out the Rockfish to Reeds Gap trail maintenance blog at rockfishtoreeds.blogspot.com or you can go to the club website to find a link to the blog.

President's Message *(continued)*

Our club contributed approximately 4,200 volunteer hours related to the AT, of which over 2,000 were directly related to maintenance and border monitoring. The remaining hours were associated with activities such as promoting the club, leading hikes, and administrative functions (membership, website management, newsletter, etc.). Over 70 individuals volunteered, many participating in multiple areas of club functions. While I view this as an impressive level of support, with a club membership of close to 400, it would be wonderful to have more members become actively involved in the club functions.

Hiking activities of the club have continued to expand, especially the weekday hikes. More weekend hikes were being offered as the year came to a close. Jim Hunt and Ted McGarry, our new activity co-chairs, have pledged to ensure hikes are offered every weekend in the spring and fall of 2014. If you are interested in becoming a hike leader be sure to give them a call or email. A new feature on the website is the "Hike Selection List". Larry Kidd has developed a list of the various hikes including difficulty rating and descriptions that have been offered by various hike leaders over the past few years. To access this list, you will need to go to the member's only section. If you don't remember how to access this section of our club website, please contact Larry or John Spindler, new membership chair. This is a great new feature that you really should check out!

So what will 2014 bring?! This year will be the 45th Anniversary of ODATC. Keep your eyes open for opportunities to participate on the planning committee. Details will be forth coming on the date and location of an anniversary gathering. Also look to future newsletters and the website for historic tidbits and tales about our club and its founders!

I hope everyone has a wonderful, safe and adventurous year!!

Happy Trails!

Theresa

Record Year of Volunteers for the Appalachian Trail

The Appalachian National Scenic Trail experienced a record year with over 245,000 volunteer hours being contributed. These hours are roughly the equivalent of 118 full-time workers. The total number of volunteers was 5,941, most of them members of the 31 AT maintaining clubs. This also included Trail Crew volunteers and others who work under the auspices of the ATC and other groups. The number of hours and volunteers are reported on the federal fiscal year that covered 10/1/2012 to 9/30/2013.

Lest we forget...

The ODATC Mission

- The construction and maintenance of foot trails for hikers, including the trail between Reeds Gap and Rockfish Gap.
