

States with Appalachian Trail  
House of Representatives

HIGHLIGHTS IN DEEP GREEN those members who have signed up to be a part of the bi-partisan Appalachian National Scenic Trail Caucus. The caucus co-chairs are highlighted in YELLOW. Congressional members in the 14 states who have the A.T. in their districts – but have not signed up -- are highlighted in a soft blue. **Please acknowledge and thank those members who have signed up for the caucus.** *As a rule of thumb, it's best to keep requests separate. Unless you receive an unquestionable positive response that aligns with our position on bikes in wilderness, it's best that you do not try to pitch the caucus.* Thanks for all your help.
